

Associate Dean for Research
Expedited Internal Search

The College of Arts and Sciences at Kansas State University seeks nominations and applications for the position of Associate Dean for Research.

The position is a 12-month full-time administrative appointment with tenure in an academic unit of the College of Arts and Sciences, K-State's largest college, which encompasses more than 115 degree programs, and is home to more than 5,700 graduate and undergraduate students. The College's 24 departments and programs cover all areas of the visual and performing arts, the humanities, and the social, physical, and life sciences. Arts and Sciences' research expenditures were \$28.4M in FY 15 and College faculty generated \$19M in extramural grant awards in FY 16.

Responsibilities

Assisting with strategic planning and data analysis; managing the college instructional fee programs; engaging early career faculty for the College's faculty enhancement program and participation in RSCAD training activities offered by the Office of Research and Sponsored Programs; membership on the Associate Deans for Research Council on behalf of the College; serving as College Liaison to the Graduate School; coordinating with research compliance and safety offices; planning of facility construction and oversight of maintenance and repair projects; coordination of space migration projects; and representing the College in the Dean's stead as occasion may require.

Qualifications

Qualified applicants must have tenured status in the College at the rank of Associate Professor or Professor; administrative experience or substantial evidence of administrative potential; an understanding of the breadth of research, scholarship, creative activity, and discovery (RSCAD) across the College; credentials demonstrating RSCAD excellence in the home discipline; commitment to excellence of scholarship and sensitivity to the distinctive needs of the College's many disciplines and of their respective faculties.

Applicants should provide the search committee with a complete CV, a letter discussing relevant experiences and accomplishments, and a statement of management style. In addition, each applicant should ask that letters of recommendation from three individuals speaking to the applicant's qualifications for this position be sent directly to the search committee by the time review of applications begins. Review of applications will begin on immediately and will continue until the position is filled. This is a regular administrative appointment with a five-year review cycle.

Effective starting date of this appointment is negotiable, but we hope to fill the position by February 12, 2017. Please send an application and supporting material to the position announcement on the Human Capital Services website. Kansas State University is an AA/EEO employer that actively seeks diversity among its employees.
