Kappa Alpha Psi

wins 1950 intramural basketball title

For the second time in a row, Kappa Alpha Psi carried away the intramural basketball honors with the following men making up the team: John Caldwell, Frank Ivrel, Vic Toile, Earl Wood, and twins, Donald and Ronald Harris. Beta Psi was one of the Midwest host chapters at the fraternity’s “grand conclave” in Kansas City in December. Representatives from all ninety-one chapters attended this annual convention. The Kansas State chapter played Santa Claus to the children at Dighton School around Christmas time, and it’s hard to say who had the most fun—the kids or the Kappa Alpha Psi’s. Their annual Black and White Ball in November and a spring party in May rounded out the social season.
