

Academic Fresh Start is a university policy that “enables an undergraduate student to neutralize, in part, the grade impact of prior academic performance. Academic Fresh Start provides for the computation of an alternative GPA and for the use of that GPA in most academic situations. A student may apply only once to Academic Fresh Start or Academic Forgiveness, and the process cannot be reversed. A student may not apply for either policy until he or she has been reinstated into his or her college.” – Office of the Registrar

Conditions for a readmitted student to be eligible to apply for Academic Fresh Start are:

1. The student was not enrolled in a K-State course for three (3) calendar years prior to readmission.
2. After readmission, the student earned a K-State GPA of 2.2 or higher at the end of the academic session in which the twelfth credit was earned.
3. Up to 60 consecutive hours of course work and K-State GPA may be restricted from the regular GPA calculation. The beginning point for the Academic Fresh Start shall be the first, second, third, fourth or fifth academic semester of enrollment following the student’s initial K-State date of entry. The choice of the starting point is designated by the student at the time of application for Academic Fresh Start and hours excluded from the calculation must be consecutive.

Prior to applying for Academic Fresh Start, a student must be reinstated in to the College of Arts and Sciences, and complete at least 12 hours. Please submit this Application Form to the College of Arts & Sciences Student Services Center via email to artsci@ksu.edu.
