Choose 2 of the 4 required areas to fulfill half of the college's basic requirements: (Please Check 2)

- Humanities     Social Sciences     Natural Science     Quantitative

**Note:** If you decide to change areas in which to fulfill the 2 of the 3 the requirements, please complete a new Dual Degree Worksheet. If you do not complete a bachelor's degree in your other college, you must complete all A & S College requirements to earn a degree in the College of Arts and Sciences.

**NOTE TO DEPARTMENT ADVISOR:** Please email the completed UDUAL document to the College of Arts & Sciences Student Services Office at artsci@ksu.edu. Students and academic advisors will be notified of either approval or denial via email. If the application is approved, the A & S Dean's Office staff will complete and process a UDUAL Program Plan Change on behalf of the student.

Students approved for the UDUAL program should check their DARS report to verify it has been added to their plan.

**This section to be completed in the Dean's Office of the College of Arts and Sciences.**

To fulfill the requirements for a Bachelor of Science **DUAL DEGREE**, students must complete all the **writing, public speaking and philosophy requirements**. From the Humanities, Social Sciences, Natural Sciences and Quantitative areas, students may choose two areas in which to complete 100% of requirements and two areas in which to complete 50% of the requirements. Please check the appropriate boxes below to reflect the student's dual degree plans. The student and A & S department advisor should complete this worksheet, complete and sign the application, and send as directed on page 1.
